Located in this established and highly sought residential area is this stunning 3 double bedroomed period family home arranged over 4 floors. Off the reception hallway you have a wonderful living room with a wood burner as a focal point. The room opens into a dining room / home office which has door into the garage. The staircase leads down to the lower ground floor, garden level where you have a hallway / utility area and a w/c. The kitchen is beautifully fitted with a particularly stylish range of units with an integral oven and hob. The room opens into the second living room / dining room which has a contemporary fitted wood burner as a focal point plus double opening doors to the garden, the sun really does flood in to this room! Off the first floor landing there is a w/c on the half landing and then two double bedrooms off the main landing. The family bathroom is stylishly fitted with a contemporary suite with a shower over the bath with a door onto both the landing and into the second bedroom acting as an en-suite. The second bedroom itself is again beautifully sunny with a door opening to a Juliet balcony taking in the best of the outlook over the garden. Off the top landing there is the main bedroom which has a dressing area plus a stylish ensuite. There are full length bifold doors that open up brilliantly allowing the sun and light in and giving access onto the beautiful balcony. From here you have an incredible outlook over neighbouring rooftops and you can even see the River Tamar. The property comes with gas central heating and upvc double glazing. The main garden is south facing and to the front with a good sized lawned area plus some beautiful patio areas. A Double garage is attached at the back of the house.
