Description

Located within this highly popular and sought-after modern residential development, this beautifully presented three double bedroom end-terraced family home was built by Persimmon just four years ago and is offered for sale under a Shared Ownership scheme, with a 50% share currently available to purchase. The property offers well-planned, spacious accommodation arranged over three floors and is ideal for buyers looking to step onto the property ladder. The ownership share can be increased by negotiation up to a maximum of 75%, with the remaining share held under a rental agreement with LiveWest. As you approach the property, the convenience of two allocated parking spaces directly to the front is immediately apparent – a significant benefit within modern developments. An entrance porch leads into a generous living room, creating a welcoming and comfortable space for everyday living. To the rear of the ground floor there is an inner hallway with a useful downstairs cloakroom/WC. The kitchen/dining room is positioned at the back of the house and enjoys a wonderful sunny southerly aspect, making it a bright and inviting space. Double doors open directly onto the garden, providing an ideal layout for entertaining and family life. On the first floor there are two well-proportioned double bedrooms along with the family bathroom. A staircase from the landing leads to the second floor where you will find a particularly spacious third double bedroom, offering a versatile space that could also serve as a principal suite, guest room or home office. The property benefits from gas central heating and uPVC double glazing throughout. Externally, the rear garden is a real highlight. It enjoys a lovely south-facing aspect and offers a private and sunny outdoor space with a patio seating area, lawn, and secure fencing. The outlook to the rear is particularly pleasant, providing a wonderfully open and bright feel. As noted, the property is being sold under a Shared Ownership scheme. For a purchaser buying the 50% share, the current monthly rental payment on the remaining share is approximately £287.47. The property is leasehold with a 125-year lease commencing from 20th July 2021. This is a fantastic opportunity to purchase a modern, well-presented home within a desirable development at an accessible price point.
